

# America's Moment is About to Come

---

April, 2008

We are on the threshold in the American Christian church of the Lord's "anointing of the moment."

The Fire of God is beginning to burn as an oven! The western and mountain states are beginning to blaze with a new increase of desire to be married to the Lord. The Lord is awakening a Holy Jealousy in the Central, Northeast, plain and Southern States, "what about us Lord?"

The Lord would say to you, how desperate are you to return to your first love? How desperate are you to do your first work? How desperate are you to buy gold tried by the fire? How desperate are you to get the eye salve so you can see and the white raiment to cover your nudity."

Hear the word of the Lord, America! Out of a mouth of a 10 year old prophet, "CRY OUT, CRY OUT, CRY OUT FOR THE FIRE! CRY OUT IT IS OUR TIME, IT IS OUR MOMENT! YOUTH IN AMERICA, YOUR MOMENT HAS COME, FOR THE GENERATION OF WILDERNESS WANDERERS IS ALMOST TO AN END. YOU WILL GO IN AND POSSESS THE LANDS YOUR FATHERS WOULD NOT TAKE!

You shall be called the "holy ones" of the Lord, the "saints of the most high God. You shall be known as the generation of the "burning ones." Hear the word of the Lord Chicago, my fire is coming to you once again and I am about to blow on your city one final time! I am bringing forth the "burning ones" to be sent to the cities, states and nations of the world and nothing will stop the Spirit of burning I have sent.

For the Spirit of Burning has come to my church as I stand in her midst with feet of bronze, this must before the Spirit of Judgment comes upon the earth. So who will be my "burning ones?" Who will come and stand in the midst of the fire? Who can stand when I appear? Who can endure the day you are now in. The day has begun, it has come to many unaware. The day of separation of the wheat from the chaff, the sheep from the goats, and the fat sheep from the lean sheep. The day of choice is upon you America. WHO IS ON THE LORD'S SIDE!

This day you are now in is burning like an oven to all those who have ears to hear and eyes to see. It is a day of great intensity, a day where you will know that I will uphold you with my right hand. I told you this was the year called the "upholding." I will uphold all those who will diligently seek me. I am a rewarder and I will reward you with my upholding. This is the greatest blessing I could release upon you in this hour is my 'upholding hand"

Many are prophesying revival, money is coming and more in my name, but few will understand that above all is my “upholding.” I upheld Moses, Abraham, and Joseph! They knew my upholding power! I upheld Daniel, Israel, Isaac throughout the journey to Me. My “burning ones” are not experiencing anointing “to preach, teach, work gifts,” they are experiencing the “anointing of the moment!” The upholding and the uplifting in their spirits to enter into the good of the land. They are understanding and coming out of the earthly into the spiritual.

These burning ones, these holy ones are being set apart for my end time plan. All are invited, but few will take the invitation to become a “burning one” for me. Just as Moses looked upon a bush on fire and not consumed, so shall it be with my burning ones. The moment of transfiguration is upon those who are giving up all to buy the pearl of great price. I am calling you America into your moment. I am calling you, American church, into your moment. Choose you this day whom you are going to serve. Get the idols out of your heart and out of my house.

Cast out the foreign idols you have allowed in your hearts, the ways of the world that our foreign to my My Spirit.

Hear my word. “Come out from among them my people. Touch not the unclean thing and I will receive you.” I want to release the blessings of this moment upon you, but it is richer and deeper than you understand. You must come up here with me, so I can show you the things to come.

Hear O, western states, “The Lord has need of thee!” Here O, Southwest states, “the Lord has need of you. Here O, Mountain states, “The Lord has need of thee for this moment in time. Arise to your feet, bring your lamps and come through the door that I have now opened for you. This is the day that your celebration shall begin, for I have made a way in the desert and brought forth streams in the wilderness.

Hear Eastern States, Hear South Eastern States, Hear Midwestern states and Heartland state. You must come out to where I am. You must lay down your pride and arrogance and recognize the spiritual state you are in. You must come and buy the gold tried by the fire. Don’t rejoice the devils obey you, but rejoice that your name is written in the lamb’s book of life. I have chosen the first to be last, and the last shall be first, and so shall be in this nation. I will restore the beginning at the end, but it must be this way to fulfill all things I have said over this nation.

Do not look to the presidential election for the answer. Don’t look to change just the government. Look to change your heart to meet the requirements of my heart. For all those who look for an earthly king shall find one in your midst. Those who want another king with me, will surely see one of their own kind rise to power and position in this nation. The government is upon my shoulders, not the shoulders of men. The shoulders of men were set apart to carry the ark of the presence of the Lord. Why are you

trying to replace my Glory with government? Turn to me, while you still have time and I will bring another revolution of my Spirit to this nation, and the governments will be upon my shoulders.

Cities of refuge will begin to spring up and I have chosen you O wicked city of Chicago to become a city of refuge of the Lord. I am removing the spirit of corruption from your midst by my 'burning ones' I am sending into your midst. "A Chicago fire is about to be lit once again for this nation, for I am sending my wind to blow on that which is about to go out. You will see the Glory of the Lord in your midst.

A little one shall lead them. Youth of America you shall make a way for my presence. You will be a generation prepared for my Glory; for I am expanding you even this day to rise up in the spirit of Joshua and Caleb. You will be my mighty ones and my burning ones.

The time for change is at your door. Who will answer the call to repent, for the kingdom of God is at hand? Who will lay down their pride and say I am poor, blind, pitiable and naked. Pastor's do you hear my call to "let go" and look up? Apostles, do you see my flame in your midst to lay the foundation of the church, or will you build upon your own need to be needed? Prophets are you building yourself a name like at Babel and working under the spirit of a hireling? Evangelist are you sharing the word of God because you "truly love them like I do, "or because you must do your ministry? Teachers are you more concerned about getting on TBN, then equipping my sheep with the real substance of my presence and food to grow by.

I see the wickedness and wrong motives in my house and I am coming with a spirit of burning to purify the hearts, the intentions and motives of "why you are doing what you are doing in my name." Many are going to be angry with me as I take their toys away. Many are going to get angry when I tell them their present ministry has ended, lay it down. Many are going to get angry when I send younger ones with deeper anointing to take their place in my Body.

I am jealous over you America. Now is your time, get up! Now is your moment, take your place! Now is the time to seek the Lord while He still may be found! Don't miss your season of repentance and change. It is standing at your door!

America your moment is here! Do you want your destiny fulfilled? You are called "ONE NATION UNDER GOD, INDIVISIBLE, WITH LIBERTY AND JUSTICE FOR ALL!" You can become what you were destined to be only by the FLAME OF GOD that is now in your midst. Your programs, church, will never achieve what MY FLAME can do in 2 minutes in my burning ones. Turn around while you still have time, it is not too late, but you must hear the clarion call to COME NOW, ALL THINGS ARE READY!
