

The Western Gold Rush

March 2008

Behold it is time for the region called the “setting of the sun’ to burn with my Holy FLAMES! From the mountain states to the Western and Southwestern States in this nation, I say, behold the Fire has come! The Very Flame of God’s presence is beginning to ignite all over this region. A flame of My Holiness says the Lord. From the mountains to the desert and to the ocean have I made a Highway called Holiness.

Can you not perceive it? Do you not see it? The Flame of YAH JOVAH is burning in this region. A burning flame has come to allure my bride to the wilderness to be betrothed to me in righteousness, stability and faithfulness. My presence is not coming as rain to this region but as the hottest refining fire the world has ever seen or my church has ever experienced. For I am coming with the Spirit of Burning and the Spirit of Judgment. I have come to refine my priests like Gold and Silver. Who can endure the day of my coming? Who can stand when I appear? I am appearing to you just as I said as a Refining Fire and fuller soap.

Just as over 100 years ago and more their was a GOLD RUSH to this region, once again shall they come from the east to find the gold. Not the natural gold found in caves and in the earth, but the Gold tried by my fire found only in my own heart. Yes, they are going to come from all over the earth to this region to buy the Gold and sell it not. For this Gold can only be found in this time of spiritual excavation. Who will dig to find this gold? Who will sell all to find this treasure that can not rust but remain forever?

From Wyoming to Colorado, Texas to Tucson, Las Vegas to Seattle, San Francisco to San Diego my presence is going to burn like an oven! I am thoroughly cleansing my threshing floor, and I am separating the wheat from the tares. I am removing the holy from the profane, the lie from the truth and a Spiritual revolution is coming forth from the South West and Mountain states that has never been seen before or seen again.

Woe to you inhabitants in the east, your hour came and you said I will come later. Woe to you inhabitant of South East, we played for you, and you did not come; now you will have come to the land of the setting of the sun to see my Glory! For you will come out of your dead places and you will come to this place of my choosing and live, says the Lord. For I will re-awaken you East Coast and South East one more time before the hour closes upon you.

But I am calling you to come and join the “GOLD RUSH!” Will you answer my call and come? Will you desire to find your rich inheritance? Then put away your foolish things and here the sound of the

Bridegroom coming at the midnight hour. Will you be a wise virgin or foolish? The choices you make now will determine your position forever in Me.

I say awaken California, Arizona, New Mexico, and Texas! Awaken Colorado, Wyoming, Oregon and Washington, for I have called you for such a time as this. Do you here the sound coming from the mountains? PREPARE YE THE WAY OF THE LORD! The Fire has come; the Gold is being brought forth from the depth of the needy ones, the desperate ones, the passionate ones. They shall come forth as Gold tried by the fire and their inheritance will be rich forever and ever.

Who is the wise man, when he found the pearl of great price went and sold all he had to buy the field? Who will know the true cost to purchase this Gold? Who will pay the price to buy it?

For I the Lord has declared a new day! The desert is about to bloom. There will be rivers in the desert and streams in the wilderness and the voice of the turtledove will be heard from this region that will shake the nations. For I am raising up the Native Americans. I am raising up the Mexicans. I am raising up the Asians to burn with the Glory of the Lord as the armor for battle. I am raising up an army of youth that will be filled with the power of the FLAME OF GOD!

Here I am, say the Lord. Who can endure the day of my coming? I have sent fire starters through out this region, and their work is almost complete to cause this region to burn with the Flame of God, for PERFECT LOVE has cast out all fear. I am about to burn up the false, the man made reasoning in my church and every cloned ministry will come to an end. I am going to erase the money changers from my house in this region. I am going to erase your calendars and agendas to make money as you use my words to steal from my people.

All the arrogant ones will be like nothing, and the "named ones" will be brought low. For I am lifting up the skirt of the pretenders. I am removing the false unity and purpose that is in the hearts of these leaders who are taking my people from me for their own gain. I am removing the lies from the pulpits to the work place. A highway of Holiness is springing forth from the wilderness, until it can be said, "who is this coming forth from the wilderness leaning upon her beloved."

I am going to send a great wind to this region in the next 90 days to fan the flame of the spiritual revolution I have started; the wind will blow even in the natural to cut away the chaff from the wheat. It is going to expose every false motive and secret motive that is destroying my people that is in the hearts of my leaders. Many ministries are about to have an earth quake under the power of the Holy Spirit so that everything that can be shaken will be shaken. Only that which can stand the shaking can remain in my house.

My jealous love is burning for this nation, and since the east coast has said come back later, I will have you leave your comfort and come to the Western States to buy the Gold. For the Last shall be surely First (western states) and you will make prepare a way for my coming, says the Lord. For the West shall not be known for its youth and its cowboy days anymore.

It will be known as the place a “spiritual revolution” was born, the place of the GOLD RUSH! The east coast birthed the first revolution with a tea party. The South, West and Mountain states will birth the spiritual revolution for this nation and the world with a Flame of YAH JOVAH party richer than the day of Pentecost.

You must find your place in me now while you still have time. Repent and allow me to show you the things that are still in your heart. Turn from your wicked ways and I will heal this land. Then and then alone will you find the true GOLD RUSH that has been TRIED BY THE FIRE. Humble yourselves in the sight of the Lord, and He will lift you up.

It is time for the Flame of God to burn and bring these sparks of flame together for my purpose. It is time for the people of God to find and buy the Gold tried by the fire. The fire is here to refine and purify the heart and bring forth a cry “my Ishi (my husband). The day of spiritual adultery is over says the Lord. I will have a bride adorned in white garments! The west is the place of the changing of the garments. For it is not by might, nor by power, but by my Spirit says the Lord.
